

Conference Presentations, Workshops & Papers

- 2017, May **IT News Africa: Education Innovation Summit**
 - Panelist: Mobile Devices and Apps Meet the Classroom
 - Panel Chair: Technology Vs Traditional Learning
 - Presented: Investing in ICT Education
- 2017, May Google's Africa Day - MOOV Soweto
 - Teacher workshop on GSuite tools
- 2017, May **Kr: Online and eLearning 2017 Conference**
 - The growing role of micro learning: is bite-sized learning the future of eLearning?
- 2017, May **Learning LandsCape**, Cape Town
 - The changing classroom - using data and analytics
- 2017, April **University of Limpopo ICT in Education** community of Practice
 - Google for Education impacting positive change
- 2017, April **Digitize Africa**
 - Digitizing African Education impacting positive change
- 2017, April **EdTech Summit**, Cape Town
 - Let's get coding and using computational thinking
 - Analytics in the classroom - creating personalised learning
 - Leadership having to cope with Change Management
 - Augmented Reality and Virtual Reality in my classroom
- 2017, March Cloud Group - Security Conference
 - Google for education, Chromebooks and Security
- 2017, February HP Tech Awareness, introducing chromebooks Cape Town
- 2017, January Bett Conference, worked at Google stand
- 2016, December **The Fact Foundry Education Day**
 - Transforming Education
- 2016, November Cloud Group - Security Conference
 - GSuite, Security and Chromebooks
- 2016, October, Google PgM Conference, Dublin
- 2016, October **UNESCO IBE - International Forum on adopting ICT Perspectives**, New Delhi, India
 - Using tech tools to collaborate and transform the way we teach
- 2016, September **Digital Education Show Africa**
 - coordinated Google stall, included Google partners, Chromebooks, Google cardboard and assistive technologies (Braille TouchNote) and various Presentations
- 2016, August **UNESCO IBE and Seychelles Ministry of Education** Workshop (via hangouts)
 - Using GSuite to create a 21st century learning environment
- 2016, July **UNESCO IBE and Swaziland Ministry of Education** Workshops, Swaziland
 - Using GSuite to create a 21st century learning environment
- 2016, February **Mpumalanga Education Department** Google awareness workshops
 - GSuite and how to transform the way you teach
- 2016 February **Principal Software Google Day**
 - Using GSuite to the school's best advantage
- 2015, November **Yale Africa Business Practicum**
 - Presentation: Google in Africa Ignite a "fire"!
- 2015 **Google EMEA PgM Conference**, London
 - Working from a remote office, challenges and advantages
- 2015, October **Digital Education Show**
 - Presentation: Empowering Learning through Technology
 - MOOCS - the backbone of digital education
- 2015, November UNESCO STEAM discussion

- 2015, October **AS Audit - Summer meeting** of IT Directors of South African Universities
 - Presentation: 21st Century education with Google
- 2015 October, **EdTech Summit**, Cape Town
 - Why your school should go Google?
 - Google-ly fun!
- 2015 September, Google representative at Operation Phakisa DBE Education Strategy.
- 2015, September **Future Managers International North South TVET Conference**
 - Technology to engage learners and transform the way we teach.
- 2015, August **Leeuwenhof Technology in the Classroom Workshop**
- 2015, August ECED District officials workshop, Grahamstown
- 2015, August **Annual Boys' School Headmasters Conference**
 - Technological tools to change the way we engage with learners
- 2015, July, **African Education Week Conference**
 - 21st Century Learning and Teaching with Google for Education apps and tools
 - Coding / Programming as a Club at School using CS First
 - Panel discussion member: why Google for Education
- 2015, May **UCT Health Sciences Faculty** - Google Apps for Education and other resources
- 2015, April **AS Audit Autumn Meeting** presentation
 - Google for Education Apps and Tools
- 2015, February **Google Innovation Tour, Johannesburg, East London and Durban**
 - Transform education using Google for Education Tools
- 2014 December, **Christ The Redeemer College, Nigeria**
 - Educational Change Staff Development Workshops, Nigeria
- 2014, October **Google Innovation Tour, Cape Town and Johannesburg**
 - 21st Century Skills and Google for Education Tools
- 2014, September **Google Safer Internet Day Campaign** workshop
 - Workshop - being a responsible digital citizen, using YouTube
- 2014, September **Tanzania Education Department** workshops
 - Google apps for Education and educational change
- 2014, November 15, **3rd Annual ICT in the Classroom Day**, at IT Centre of the University of Free State, Bloemfontein, hosted by UFS and Free State Department of Education (200 teachers attended)
 - Interactive workshop about Google Apps for Education (repeated workshop three times)
- 2014, November 14, **UNISA workshop** to business faculty staff
 - Interactive Google apps workshop, ideas to use for distance learning. Addressing questions as lecturers presented them
- 2014, October 7, **Innovate 2014 - eSchool's Network ICT Conference**, Cape Town, Western Cape
 - Technology teaching apps - GAFÉ, AR, QR codes and so on.
 - Collaboration and Assessment using technology in the learning environment
 - Going Google in the Classroom; interactive workshop about Google for Education apps and tools
 - Internet Safety in the Classroom
- 2014, August - October, four **Google for Doodle Teacher Days**
 - GAFÉ tools to change the way we teach
- 2014, September 29, **ACER, Intel, Google Chromebook launch**, University of Witwatersrand, Johannesburg, Gauteng
 - Chromebook and GAFÉ presentation, to enhance your lectures by collaborating and communicating
- 2014, September 3, **TVET / FET / Higher Department of Education** presentation to various lecturers, officials and advisors (curriculum, assessment, technical and technological representatives)
 - GAFÉ presentation - what is GAFÉ and ideas of how it can be beneficial
 - Discussion about online learning platform requirements
- 2014, August **ACER / Google Eastern Cape Roadshow** - chromebook awareness; Port Elizabeth, East London and Grahamstown
 - Presentations and hands-on teacher workshops
